

## Setting up Dexcom Clarity

Go to [www.clarity.dexcom.com](http://www.clarity.dexcom.com) (easiest on a laptop/desktop)

1. Select Home user
2. Create an account
3. Confirm email address by clicking link in email
4. Create profile
5. Select "Get Started"

### Your Dexcom Account

Sign in to manage your account.

1. Log in to account with credentials you created
2. Download these 2 apps: Dexcom G6 Mobile and Dexcom Clarity on your device (see below)
3. Log into both apps with your account information

- a. Optional: If you would like to share your data with another person (e.g. friend, partner, spouse), they may download the Dexcom Follow app
- b. Your healthcare provider may be able to provide you with share code that you can enter into Dexcom Clarity to share your Dexcom data with your clinic.

Dexcom G6  
Mobile app

Dexcom Clarity

Dexcom Follow

## Setting up LibreView

### Creating a LibreView Account

You can create an individual account from an email invitation or directly on the LibreView website.

1. Go to [www.libreview.com](http://www.libreview.com) and click **Sign Up**
2. Select **LibreView** Account
3. Select your country of residence
4. Agree to the Terms of Use
5. Agree to the Privacy Notice
6. Fill out your information
7. Go to your email inbox, find the verification email from LibreView and click on the **Verify Email** button
8. Select **Next** on the sign up screen in LibreView to complete your account setup

*Note - There may be additional steps during account registration specific to your country of residence.*

The screenshot shows a 'Member Login' form. At the top, there is a blue user icon and the text 'Member Login'. Below this are two input fields: 'Email Address' and 'Password'. The 'Password' field has a small eye icon to its right. Below the input fields is a blue 'Log In' button. Underneath the button is a link that says 'Forgot Password'. At the bottom of the form is a light blue 'Sign Up' button.
